N9HBN
355-1357

Dick Schlatterer
KA9MTY
354-7452

Roger Zaun
W9UVV
242-4931

Happy Holidays to all members of the Milwaukee Radio Amateurs' Club. May you all enjoy a safe and joyous yuletide.

The Club will NOT be meeting at Wauwautosa Savings and Loan in 1991. All the dates for the coming year had been reserved before we were discovered that the time to make application had passed. At this time no new meeting site has been found. A number of possibilities are being investigated and it is hoped that we will have found a new home before the end of the year. If you know of any potential meeting sites that are available for the coming year, please let any of the officers know. That information can then be passed to the individual who is conducting the search. Just when you thought things were predictable...

MRAC will have a table at the West Allis RC swapfest on January 12th. If you have a few odds and ends in the shack and you would like to get rid of them, bring them along, spend a little time at the table and chat with some of the crowd. If all members attending the swapfest spend 15 or 30 minutes behind the club table, the club will be constantly represented and no one will miss out on seeing all the other goodies available.

The Board of Directors, upon the request of Jack Krause, W9JK, would like to find an individual who would be willing to learn the ropes of running the Club's Volunteer Examiners Group. The purpose is to initially ease some of the load off of Jack's shoulders and eventually to take over completely. Anyone interested in this position please contact Ed Wille, W9PWG or Jack Krause for more information.

The dates for the Spring session of the ***H. Charles Kaetel Amateur Radio School*** have been determined. Classes will run from March 13th until May 15th, 1991, with no meeting during Easter Week. As previously, they will be held on Wednesday nights at 7:30 PM at Wauwautosa East High School. More information will be presented in a flyer available in late February, 1991.

The Old Timers' Party will be held on Thursday, December 27th as announced last month. Please see the accompanying flyer for details and for the reservation form. Your reservations should be returned as soon as possible, but by December 21st at the latest.

MEETING NOTES

The program at the last meeting consisted of a video tape on the subject of "RADAR" and was presented by Ed Wille. My sources tell me that it was both interesting and informative. Many thanks, Ed, for coming up with something on such short notice.

ARRIVALS AND DEPARTURES

Welcome to the following New Members:

WB9SWJ - Dick Shoessow
W2YLP - Jules Allen
KB9FBM - Paul Boese

MEETING NOTICE

The next meeting of MRAC will he held on January 24th. The site will be announced in a future mailing. The program for this meeting will be present-

ed by Mr. Hugh Putnam who will speak on "Microprocessors and Their Applications."

LICENSE EXAMS

The MRAC-VEC will next be conducting license exams on January 12th at Red Carpet Lane,across form the Waukesha Expo Center, starting at 9:00 AM. This is in conjunction with the West Allis Radio Club Swapfest. Bring your current license (if any) and TWO (2) photocopies, another form of ID and $4.75 for the exam fee (note - Novice exams carry no fee). To register, contact Jack Krause, W9JK, at 774-6999. Walk-ins are accepted.

CU next month,

Joe, KE9LL, editor
